

Congratulation

Esko Gent Belgium & Sal-Im Pakistan Pvt Ltd, Congratulate M/s Vision Foods & Packaging for acquiring the new Esko Kongsberg X Edge digital finishing table.

We wish them a success:

ESKO Kongsberg X20 Edge

The Kongsberg X Edge is the perfect start of your digital finishing journey. The tried and tested Kongsberg recipe of productivity and flexibility combined with best in class reliability – no compromise.

The Kongsberg X-Edge delivers speeds of 30 m/min with acceleration of 0.3G and can handle the full spectrum of display, signage and packaging materials from kiss cutting vinyl to heavy duty milling...and everything in between.

There is no sacrifice on machine configuration with all options available you would expect from the X-Series family. As your company grows, the Kongsberg X Edge evolves with you and can be easily upgraded in both speed and acceleration to ensure it keeps up with your business demands.
